11 MONDAY 
CULTURAL COMMUNITY BLOOD DRIVE. The Friends of the Library Blood Drive Committee sponsors a blood drive. Please bring I.D. for donation. Call reference librarian for more information. Information Desk: Walk-ins welcome! 3 to 8 p.m.

12 TUESDAY 
FREE HYPTERTENSION SCREENING by St. Francis Hospital. 11 a.m. to 2 p.m.

TOPICAL TUESDAY: Astronomy for Everyone. Star Size & Scale of the Universe. Let's celebrate the International Year of Astronomy (UNESCO) 400th anniversary of the Galileo telescope with Kevin Mannion, who wants to share the excitement with you about the size and scale of the universe, the stars, and other colonial wonders. A cold weather permitting, a powerful telescope will be set up at the rear of the gym along with other beautiful objects in the night sky. Kevin was a professional astronomer with NASA, the Chandra X-Ray Observatory, the Harvard-Smithsonian Center for Astrophysics, and other ground-based observatories. 7:30 p.m.

13 WEDNESDAY 
BOOK DISCUSSION GROUP. A discussion of That’s what I thought. Why We Are Conversations by Stephen Black. Book discussion at 3 p.m. in the library.
