Our History through Music

Join Long Island radio personality Joe Rock on Thursday, May 21 at 7:30 p.m. as he takes you on a journey that traces United States history through music. Decadence, winner of Schreiber High School’s Battle of the Bands, opens the program.

Part lecture, part performance, “Our History through Music” begins in the 1930s with a look at bluesmen such as Robert Johnson and Huddie Ledbetter (“Lead Belly”), as well as dust bowl balladeer Woody Guthrie. The music had a profound influence on performers from each decade that has followed, and the songs continue to reflect a unique time in our nation’s history.

Mr. Rock will continue to guide you through the decades; from the innocence of the ’50s to the turbulent ’60s. He’ll highlight the singer/songwriters of the ’70s, and the music of the ’80s which shows working class issues alive and well.

Joe Rock is an on-air personality at Long Island’s #1 rock station, 102.3 WBAB. He has also worked at WEHM/Progressive Radio for Long Island, and at Long Island’s Oldies B103. Mr. Rock has performed music throughout the United States for over two decades, and has shared the stage with members of both the Rock and Roll Hall of Fame and the Long Island Music Hall of Fame.

Stokely Webster on exhibit

“There is a wonderful, distinctive charm in the work of Stokely Webster, a quality comprised of affection for the world and a great understanding of light and value. The paintings, so seemingly simple at first glance, are each quiet revelations and a welcome confirmation that continuity in art is not only possible in a harsh discordant time, but immensely gratifying.” — Historian David M. McCullough

The Art Advisory Council presents the work of Stokely Webster (1912-2001) in the Main Gallery May 1 through 30. Members of Mr. Webster’s family will welcome visitors to the exhibit at a reception on Saturday, May 9 from 2 to 4 p.m.

The Art Council’s exhibits are privately funded by donations to the Port Washington Library Foundation.

The Ten-Cent Plague

David Hajdu, author of The Ten-Cent Plague: The Great Comic-Book Scare and How It Changed America (Picador Press, 2009), will visit Sandwiched In on Friday, May 29 at 12:10 p.m.

“Hajdu doggedly documents a long national saga of comic creators testing the limits of content while facing down an ever-changing bonfire brigade. That brigade was made up, at varying times, of politicians, lawmen, preachers, medical minds and academics. Sometimes, their regulatory bids recalled the Hays Code; at others, it was a bottled-up version of McCarthyism. Most of all, the hysteria over comics foreshadowed the looming rock ‘n’ roll era,” said Geoff Boucher of the Los Angeles Times.

Michael Saler of The Times Literary Supplement (London), calls The Ten-Cent Plague “A compelling story of the pride, prejudice and paranoia that marred the reception of mass entertainment in the first half of the century.”

What more is there to say? We are delighted to welcome David Hajdu back to the library. He visited in April 2005 with his book Lush Life: Biography of Billy Strayhorn. Books will be available for purchase and signing. This program is sponsored by the Friends of the Library.

The cut edges are folded back and stitched to the layer below. Originally part of the woman’s dress, molas are now sold around the world and collected by many.

Dolls from Latin American countries will be exhibited in the Children’s Room, and paintings by Latin American artists will be featured in the Community Gallery and the lobby. Latin American artifacts and fine crafts will be displayed throughout the building.

Fun for Children: With passports in hand, children will “travel” through 8 countries, learning to make local crafts. At the end of their journeys, passports will be stamped and children will receive a prize. The hosts that will welcome visitors to each country will be the library’s own ESOL students and teen volunteers.

Food: Food is often a centerpiece of festivals, and ours is no exception. You’ll sample the tastes and textures of Latin America and enjoy food demonstrations from various countries.

At 4 p.m., the celebration moves to the Landmark on Main Street with crafts, food and a performance in the auditorium by Jose Obando.

This free family event is made possible by a generous grant from the Friends of the Library and sponsors Sylvia & Neill Blumstein and Optimum. The Festival is co-sponsored with Landmark on Main Street, the Children’s Center and the Parent Resource Center.
