

## Kindergarten Registration Information

To register your child for the upcoming school year we are conducting contactless registrations currently. Your registration will consist of an on-line platform to start the registration and an email exchange of paperwork. Please refer to the school list below to determine which week you will register your child. You may call 767-5470 or email us at [centralreg@portnet.org](mailto:centralreg@portnet.org) and a Registration Associate will get back to you and explain the process for registering. For your convenience you can download the Kindergarten/New Student Registration packet at: <http://www.portnet.org>. Please complete the entire registration packet and directions will be provided on how to transmit the documentation to the Central Registration office.

**Transportation** is available for students residing more than ½ mile from their school. Information will be mailed in the summer and bus orientation is usually held in August. For transportation to a private school, you must register your child with the District. **This form is due on or before April 1, 2021** for the following September. Forms are available on the District's webpage [www.portnet.org](http://www.portnet.org) under Transportation. Please call the Transportation Office at (516) 767-5030 or via email at [rallen@portnet.org](mailto:rallen@portnet.org) if you have any questions.

Note\*\*\*If you opt for a **childcare drop off** to an individual on a regular basis, the location must be in the same district boundary catchment area where you live. If you are utilizing a New York State licensed daycare center such as Kids' Port run by the Children's Center on Main Street, you do not need to live in the same catchment area for this program. Forms are available on the District's webpage [www.portnet.org](http://www.portnet.org) under Transportation, or you can request a form by email at [rallen@portnet.org](mailto:rallen@portnet.org). **This form is due on or before July 23, 2021.**

**Class placement** is decided by keeping the classes as balanced as possible considering gender, age, ethnicity, former nursery school, etc. Placement and school supply letters are mailed to parents in mid-August. If there is a concern about placement (i.e., particular children who should not be placed together) parents should contact the principal in writing in April. **Children cannot be placed with friends and a request for a specific teacher is not allowed.**

**Up to date immunization forms must be presented at time of registration.** All updated, future medical examinations and immunizations can be returned to the school your child will be attending on the first day of school. If your child does not have the required immunizations for school attendance in compliance with the NYS Department of Health, you will have two weeks to comply or your child will be excluded from school.
