Dale Berra, "My Dad, Yogi: A Memoir of Family and Baseball"

Thursday, May 9 at 7 p.m.

Everyone knows Yogi Berra, the American icon. He was the backbone of the New York Yankees through ten World Series Championships, managed the National League Champion New York

Mets in 1973, and had an ingenious way with words that remains an indelible part of our lexicon. But no one knew him like his family did. *My Dad, Yogi* is Dale Berra's candid and nostalgic father-son memoir.

When Yogi wasn't playing or coaching, or otherwise in the public eye, he was home in the New Jersey suburbs, spending time with

his beloved wife, Carmen, and his three boys, Larry, Tim, and Dale. Dale presents--as only a son could--his family's history, his parents' enduring relationship, and his dad's storied career. Throughout Dale's youth, he had a firsthand look at the Major Leagues, often by his dad's side during Yogi's years as a coach and manager. The

Berra's lifelong family friends included Joe DiMaggio, Mickey Mantle, and Whitey Ford. It's no coincidence that all three Berra sons were inspired to play sports constantly, and that all three became professional athletes, following in their dad's footsteps.

Dale came up with the Pittsburgh Pirates, contributing to their 1979 championship season and emerging as one of baseball's most talented young players. After three strong seasons, Dale was traded to New York, briefly united with his dad in the Yankee dugout. But there was also an extraordinary challenge developing. Dale was implicated in a major cocaine scandal involving some of the biggest names in the sport, and his promising career was ultimately cut short by his drug problem. Yogi supported his son all along, eventually staging the intervention that would save Dale's life, and draw the entire family even closer. *My Dad, Yogi* is Dale's tribute to his dad—a treat for baseball fans, and a poignant story for fathers and sons everywhere.

Dale Berra will be interviewed on-stage by Dean Chiungos, Senior Director Senior Director of Sponsored Content at Major League Baseball. On-site book sales will be conducted by the Dolphin Bookshop.

Port Residents, Then And Now, Invited To Share

Woodstock Memories

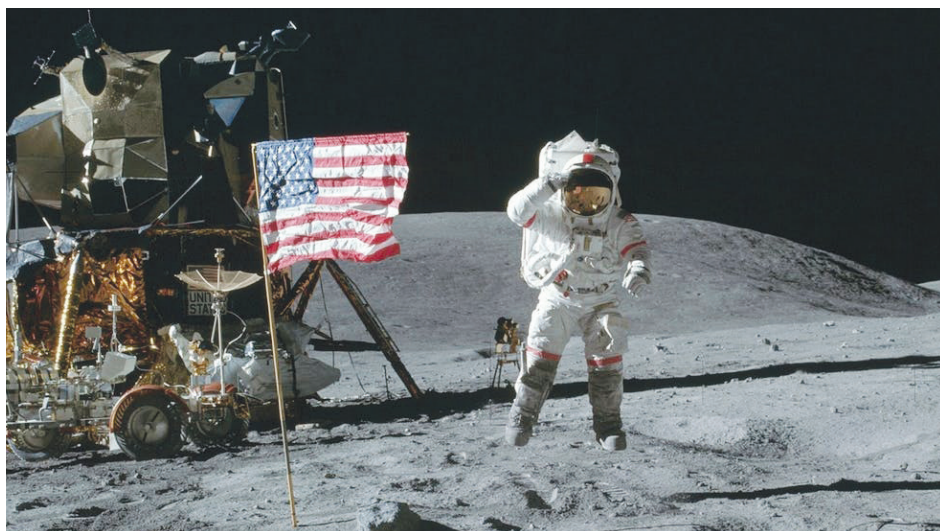

Where were you between August 15 and 18 of 1969? Were you one of the “half a million” on a farm in Bethel, New York, attending the Woodstock Music & Art Fair? Were you one of the countless thousands stuck on the New York State Thruway trying to get there? And whether you were there or not, was there something about this “three days of peace, love and music” that affected you personally,

both at the time, and on until today? If you currently reside in Port Washington, or lived here in August of 1969, and have a unique Woodstock story to tell, librarian and music historian Tony Traguado wants to hear it! Tony will be videotaping residents’ Woodstock-related stories for our Local History Department, and for the library’s series of Woodstock 50th anniversary events in August. Contact Tony Traguado at (516) 883-4400 x1406.

The Argus Quartet

The Argus Quartet’s busy 2018-19 season takes them to fifteen states across the country, featuring debut concerts in New York City at Weill Recital Hall at Carnegie Hall and Merkin Concert Hall, plus a return to Lincoln Center’s Alice Tully Hall. Program will include selections by Haydn and DeBussy as well as a contemporary piece by Balch.

Ground Control to Port Residents: Tell Us Your ‘Moon Landing’ Stories

“ On July 20, 1969, Neil Armstrong’s “giant leap for mankind” from the Apollo Lunar Module Eagle changed the way millions of people around the world viewed space and our universe. Did this historic event have a profound effect on you? If you currently reside in Port Washington, or lived here in July of 1969, and want to talk about what the moon landing meant to you, librarian Tony Traguado wants to hear your story. Tony will be capturing residents’ stories about the moon landing for our Local History department, and for the library’s series of moon-related 50th anniversary events in July. Contact Tony Traguado at (516) 883-4400 x1406. ”

We asked our staff to select books that have special meaning to them on Mother's Day. Here are their responses:

Jessica

Life on the Refrigerator Door: A Novel in Notes by Alice Kuipers
Life on the Refrigerator Door is told exclusively through notes exchanged by Claire and her mother Elizabeth during the course of a life-altering year. Their story builds to an emotional crescendo when Elizabeth is diagnosed with breast cancer. Stunningly sad but ultimately uplifting, this is a clever, moving, and original portrait of the relationship between a daughter and mother.

Lori

The Joy Luck Club by Amy Tan
 In 1949, four Chinese women drawn together by the shadow of their past begin meeting in San Francisco to play mah jong, invest in stocks and "say" stories. They call their gathering the Joy Luck Club and forge a relationship that binds them for more than three decades.

Javiera

I Love You So Much by Carl Norac
 This children's book is about a little chipmunk who struggles the whole day to say these special words, but she can not find anyone to share them with. When she gets home she is so angry and frustrated that her mother tries to comfort her, but she realizes that she can tell her mother the special words, which are "I love you."

Vanessa

The 5 Love Languages of Children by Gary Chapman
 This book was recommended to me by my friend and colleague Denise Anchico. Children express and receive love in different ways – some through acts of service; others through affirming words; still others through gifts, quality time or physical touch. Each of these expressions of love represents a different "language."

Jeff

The Hidden Life of Trees by Peter Wohlleben
 This is a book my mom gave to me. She had already read it and because of our mutual fascination and love of trees she thought I would love it too. And this past Christmas I gave her a new illustrated version of *The Hidden Life of Trees*.

Little Free Libraries Ribbon Cutting Ceremonies Thursday, May 16 at 4:30 p.m.

In our efforts to provide as many ways as possible to share good things to read, PWPL created two Little Free Libraries. Little Free Libraries play an essential role in providing 24/7 access to books and encouraging a love of reading. If you see a book you would like to read, please take it. When you are finished with the book, pass it on to a friend, bring it back to PWPL or put it back in the LFL.

We presently offer two locations; one in front of Alpers True Value Hardware on Irma Ave, and a second location at the Port Washington Train Station. Our first ceremony will take place at 4:30 p.m. at our Alpers Hardware location. The second ceremony will take place at the train station immediately following.

All are welcome to attend, and refreshments will be served. In addition, we will be accepting book donations (books that are in "like new" condition) at the event. For more information contact Rachel Fox at child@pwpl.org or 883-4000 ext. 1600.

EVENT POLICIES Please see event listings for registration requirements. Due to high demand, we ask that you arrive at least 5 minutes before the event for which you are registered to claim your spot. If you have not arrived 5 minutes before the event, we may transfer your spot to someone who is waiting. Priority for all events is given to Port Washington residents.
