

GIVE A LITTER BIT

It's up to all of us to make sure Port Washington is litter free. This not only helps the environment but also our morale and town spirit.

Let's get the whole family involved!

1 What you'll need

a garbage bag, gloves and a grabber (optional)

2 Instructions

Clear out litter from a section of a park, beach, vacant lot or your own neighborhood. Do a one-time sweep on your favorite walk or make clean ups a regular family event. Properly dispose of all litter.

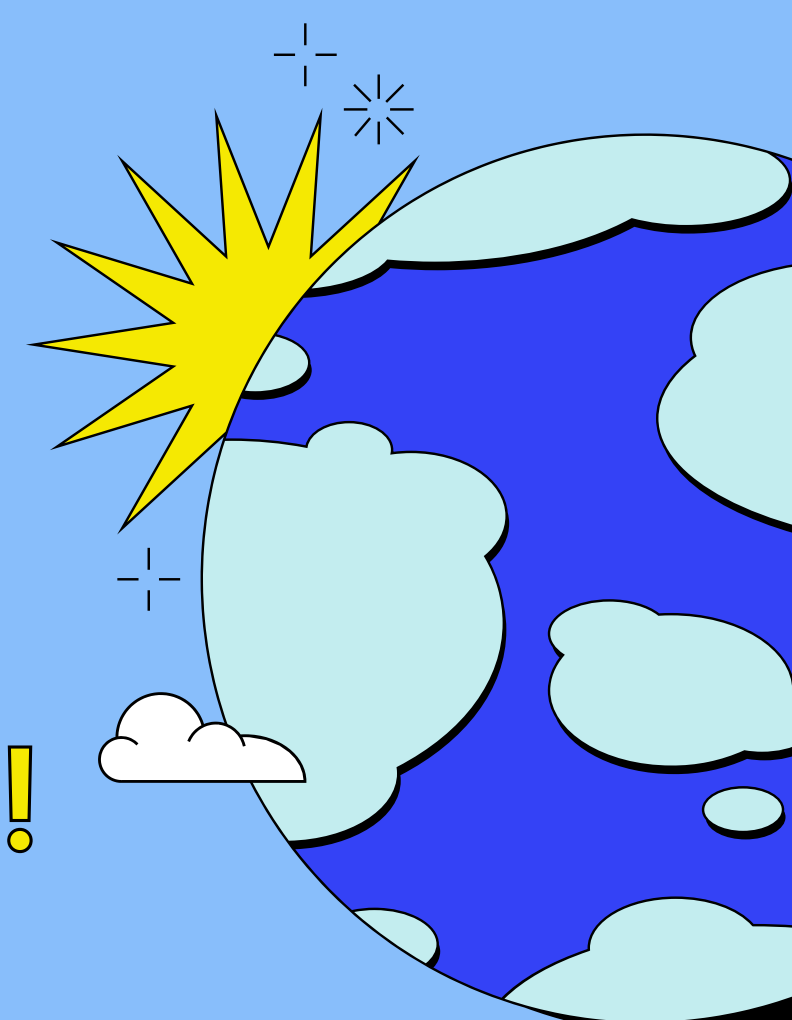

3 Reflect

What kind of litter did you see most often? What could be done to help tackle this problem? What other ways can we take care of the spaces we live?

4 Tell us about it!

Take pictures and share them with us. We'd love to feature you in our next newsletter or on social media.
